

## Allergen Management Policy

J R Wholesale Ltd does not knowingly sell products with allergens.

J R Wholesale Ltd has a pea nut-free status and instructs staff, referring to the Staff Hygiene Rules, not to bring or consume nuts whilst at work.

J R Wholesale Ltd asked all its suppliers, via a supplier's approval questionnaire, if any of the products they supply to J R Wholesale Ltd contain any known allergens.

Allergens used by J R Wholesale Ltd are listed as below.

*Celery*

*Celeriac*

*Walnuts & Hazelnuts.*

Furthermore, it does not add any ingredient which is considered to be Haram or musbooh.

J R Wholesale Ltd does not rework products which have been value added.

J R Wholesale Ltd does not make claims as to the status of its products for suitability for food allergy or food sensitivity sufferers.

Equipment which may come into contact with allergens is on the cleaning schedule and this is signed off after each cleaning.

All staff, including new staff, are trained in the protocols of allergen handling and controls.

J R Wholesale Ltd takes allergen controls very seriously and includes in the management review process, internal or external incidents and customers' complaints, such as labelling or cross-packing errors.

The review process will also consider updates or changes in allergen legislation or scientific information.
